454/10 HF Set Imperial 1 screwdiver set T-handle screwdrivers Hex-Plus with holding function, Imperial, 10 pieces

EAN:	4013288214836	**Size:**	274x240x67 mm
Part number:	05023451001	**Weight:**	1230 g
Article number:	454/10 HF Set Imperial 1	**Country of origin:**	CZ
		Customs tariff number:	82054000

- T-handle screwdriver for the transmission of particularly high tightening and loosening torque
- Ergonomic 2-component handle with finger handle recesses and pleasant surface feel for very high power transmission and fatigue-free working
- Take it easy tool finder: colour coding according to profile and size
- With additional short arm for the transmission of extremely high torques due to the leverage of the long arm
- With holding function (HF) on the long arm to securely hold the screw on the tool

T-handle screwdriver: The ideal handle shape allows the transmission of particularly high tightening and loosening moments. The ergonomic shape of the handle fills the ball of the hand well, the fingers lie securely in the softly rounded recessed grips. The whole hand comes into contact with the handle and friction losses between hand and handle are avoided. With holding function to hold the hexagonal socket screw securely on the tool. Special surface treatment for high corrosion protection and optimal fitting accuracy in the screw.

Ergonomic 2-component T-handle

The ergonomically shaped 2-component T-handle with finger recesses and pleasant surface facilitates very high power transmission and fatigue-free working.

Holding Function (HF) for hexagon socket screws

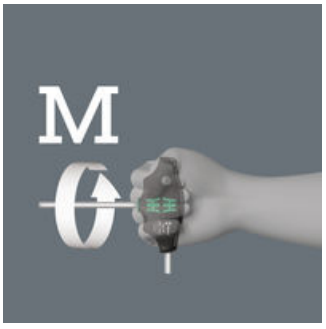

A spring loaded ball ensures the hexagon socket screw to be clamped on the tool tip. Especially helpful in hard to reach areas where you can not use your other hand to hold the screw.

Second arm

The additional short arm, which emerges laterally from the handle, allows the transmission of extremely high torques by using the long arm as a lever.

High torque transfer

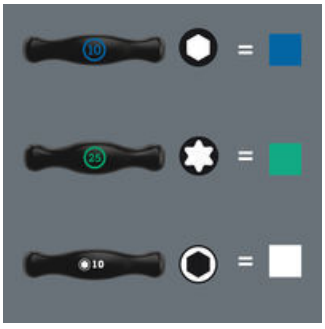

By using the blade as an extension of your lower arm you can transfer particularly high torque.

Corrosion protection and fitting accuracy

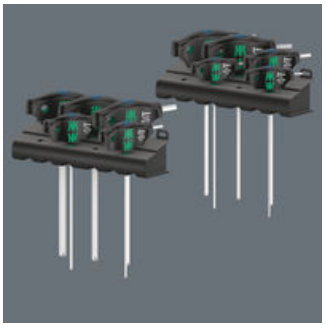

Due to the special surface treatment, the blades receive a high level of corrosion protection. The optimum fitting accuracy of the screw is also guaranteed.

Take it easy Tool Finder

Screwdrivers with Take it easy tool finder: colour coding according to profile and size stamp.

With useful plastic rack

Including useful rack for well-arranged storage of the screwdrivers.
